Policy Statement

Incremental Solutions are committed to the continual provision and maintenance of a safe and healthy working environment for our employees and ensuring the safety of others affected by our services/actions.

Incremental Solutions achieves this by:

- Providing appropriate information, training and supervision to ensure that personal responsibilities are discharged in a safe, reliable and competent manner;
- Ensuring adequate funding and resources are available to contribute towards a safe and healthy working environment;
- Complying with all relevant occupational health and safety legislation and, where appropriate, other codes of practice, standards or requirements that may be specified by our customers;
- Ensuring that appropriate arrangements are in place and implemented for managing emergency situations, accidents, first aid and ill-health;
- Promoting a proactive and participatory safety culture through effective two-way communication;
- Monitoring, evaluating and improving the effectiveness of the management system through measurable health and safety objectives, which will be assessed during management reviews to continually improve overall health and safety performance;
- Working with the industry to improve health and safety.

We depend on our employees' support and professionalism in making this policy truly effective on behalf of Incremental Solutions.
